HOW RAD+ WORKS

Play any Radi8 game

Earn Radcoins by betting

Radcoins can be used for Boosters

RADCOINS

Radcoins are earned across all Radi8 games as player wagers in-game. Players' Radcoins can be accessed across all Rad+ games

* Radcoins and Boosters can be used across all Rad+ featured games

SPIN BOOSTERS

We give out Free Spin Boosters to players
Spin Boosters give players a chance to win without using any money and they can be used on any Rad+ game

Spin Booster

- Spin Booster plays a round of the regular base spin of the game and can trigger a bonus play
- Auto Free Spin feature available in 'Your Boosters' section of control panel

Lite Spin Booster

- Fastest access to a Spin Booster
- Quick to earn for smaller pockets

Super Spin Booster

- Super Spin Booster triggers an in-game bonus play feature
- All Super Spin Boosters payout on an average of 30x
- Number of free spins depends on game

WILD BOOSTERS

Wild boosters give players' a chance to win with higher payout but requires a bet amount from the player's wallet.

Wild Booster

- Wild Booster gives at least one Rad+ Wild symbol
- Wild Booster cannot trigger a bonus play

Super Wild Booster

- Super Wild Booster triggers 3 spins in a row and 3 spins for the price of one
- All Super Wild Spin Boosters payout on average 30x

LOOT BOXES

Use Radcoins to open the all new Loot Boxes for guaranteed prizes. Loot Boxes reward players with a collection of prizes that include Radcoins, boosters and cash

There are 4 types of Loot Boxes, Quick Box, Plus Box, Luxury Box and Jackpot Box for players to get more from playing!

Boost your Radcoins

A gateway for new players to increase their chances of buying boosters faster

LEVEL UP

Earn milestone rewards and level up to get exclusive benefits like earning more Radcoins faster. There are a total of 8 levels for players to attain. All Level Up points and progress will carry over across all Radi8 games so you can continue your reward road journey across Radi8 games.

LEVEL UP POINTS

Players will gain Level Up Points with every wager in Radi8 games.

REWARDS

Players will receive Radcoins and Boosters as rewards as they Level Up. Rewards will automatically credit into players' account.

RADCOIN STATUS BOOST

Radcoin Status Boost is an effect when a player reaches Level 5. There are 4 Status Boost Levels, I, II, III and IV. These Boost effects increase the speed of earning Radcoins. These effects will not be removed when Level Up Season is refreshed.

* Rewards and Level Up milestones are customisable

Game History

Players can check their game history of bets and wins throughout their game lifetime, including Radcoin spending history
